

INTERIOR DESIGNER

Sarah Mitchell is a NCIDQ certified interior designer registered with the State of Indiana. Sarah's focus is to enhance the function, safety, and aesthetics of interior spaces.

Born and raised in Mishawaka, Indiana, she graduated from Purdue University with a Bachelor of Arts Degree in Interior Design; she has a passion for design and creating spaces that inspire people.

Sarah began her career working for an architectural firm where she could hone her skills which include; the ability to process information quickly, analyze, evaluate, and resolve a variety of technical challenges on time and under budget.

With ten plus years of design experience in healthcare, senior living, college/university, and commercial design, she has had the opportunity to help clients realize exceptional spatial design in environments that are both welcoming and functional.
